

EGO PACK: 1/2" IMPACT WRENCH, 2X BATTERY, AND CHARGER.

PACK11EGO

VITO's EGO PACK 11 includes a 1/2" Brushless Impact Wrench with 20V and 1180Nm, two 20V 5Ah EGO batteries, a 20V fast charger and a BMC case to make it easier to transport the machine when carrying out tasks. This PACK includes a 1/2" Brushless Impact Wrench with 20V and 1180Nm, suitable for screwing and fastening nuts and screws in resistant materials. It is complemented by two 20V 5Ah EGO batteries that guarantee extended autonomy, even for the most demanding tasks. The 20V fast charger allows you to charge the batteries efficiently. The BMC case provides organisation and protection when storing the machine.

Key features

- > The Impact Wrench is equipped with a Brushless motor and a 1/2" drive that is compatible with a range of standard impact accessories and ideal for the most common fastening tasks;
- > This Wrench model offers up to 1180 Nm of torque and is suitable for medium to high-intensity fastenings in a variety of applications;
- > The 20V 5Ah EGO batteries have no memory effect thanks to their lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. They are equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V fast charger has a 1.9m power cord and an LED to make it easier to check the charging status of the device.
- > The BMC case is a transport accessory that allows you to store and transport your tool safely.
