

WALL CHASER 2400 W

VIMAR2400

The VITO 2400W wall chaser is a robust and efficient solution for demanding cutting tasks in masonry, stone blocks, bricks and concrete. Equipped with a powerful 2400W motor and 150 mm discs, it enables cuts up to 43 mm deep and 28 mm wide, adjustable with triple or parallel discs. Its metal gear housing ensures durability, stabilising supports provide precision, and the safety button adds extra control during operation. Supplied with carrying case, dust extraction outlet, hose for vacuum connection and debris collection bag, ensuring cleaner and more practical work.

Key features

- > 2400W power and 8500 rpm for fast, consistent cuts.
- > Adjustable cutting width up to 28 mm with triple or parallel discs.
- > Maximum cutting depth of 43 mm for versatile applications.
- > Dust extraction system with bag and vacuum connection.
- > Strong aluminium structure with metal gears.
- > Carrying case included for easy transport.
- > Perfect for electrical and plumbing installations.

Specifications

Blade diameter	150 mm
Blade hole diameter	22 mm
Dimensions	480 x 215 x 175 mm
Maximum cutting depth	43 mm
Maximum cutting width	28 mm
No-load Speed	8500 rpm
Power cord length	2 m
Product weight	7.14 Kg
Rated power	2400 W
Sound power level (LWA)	80 dB
Sound pressure level (LPA)	70 dB
Supply voltage	230 V AC 50 Hz

Package Contents

Triple-layered blade
5 washers
1 handle
2 keys
1 dust collection bag
1 suction hose.
